

# Do you have endometriosis or chronic pelvic pain?

We would like to invite you to participate in a focus group to hear about your experiences and feedback on care provision in general practice

## Eligibility

- 18-49 years old
- Diagnosed with endometriosis or chronic pelvic pain for  $\geq 1$  year
- Willing to participate in a 60-90min online focus group with approx. 5-8 participants
- Willing to complete a brief anonymous survey

***Participants will receive a \$50 e-gift card for their time***

Scan the QR code to access an explanatory statement.
